## EXPERIENCE

**Customer Success Coordinator** | Vantage Labs, LLC | New Hope, PA Mar. 2020 – Present

- Work under product owner as support in the delivery and execution of the company's CRM web application.
- Act as liaison between stakeholders and developers to refine product; ensure high customer satisfaction.
- Increased upper-management productivity 35% by holding virtual training to all internal users.
- Implement debugging/test automation upon production pushes to mitigate risk on stakeholder usability.

**HR Intern** | UPS | Bound Brook, NJ Oct. 2019 – Dec. 2019

- Met seasonal hiring quota to meet high-demand package handling and delivery during peak operation.
- Developed interview procedures and documentation for a new seasonal role that was adopted by the district.
- Organized "Brown Friday" company awareness event that contributed to the seasonal hiring quota by 20%.

**Team Leader** | DeSales University | Center Valley, PA Jan. 2019 – May 2019

- Led team of developers and designers through three sprints of an iPadOS application.
- Researched and implemented coding practices to enhance product performance.
- Organized sprint review/planning meetings to present progress through software development life cycle.
- Published an iPadOS application to the app store and used by 75 first-grade students.

**Peer Mentor** | DeSales University | Center Valley, PA Mar. 2016 – May 2019

- Led and guided over 30 first-year students in their transition into the collegiate environment as their mentor.
- Held meetings to involve students in campus-wide events such as sporting events, shows, and volunteering.
